

The Advantages of the GCL Service Options

Outsourced In-house Counsel:

For companies without an in-house legal staff, we provide the critical component of legal counsel, with the affordable option of outsourcing. This is particularly critical for small and emerging businesses.

Advantages:

- High Caliber Experience
- In-depth Familiarity of Client Needs
- Expertise as Needed
- Affordable and Easy to Budget
- Continuity of Relationship
- No Increase in Employee Headcount

Supplemental In-house Counsel:

The GCL can be of particular value handling special projects – especially those important longer-term and preventative law projects that always seem to get bypassed for other more time-sensitive matters.

Advantages:

- High Caliber Experience
- Part or Full Time
- On-site or Off-site
- No increase in Employee Headcount
- Part of your Legal Team
- Flexible
- Predictable Expense
- Affordable
- In-depth Familiarity with Client Needs

Industry or Subject Matter Counsel:

GCL attorneys offer experience in a wide variety of business areas, lending years of expertise to matters affecting business.

Advantages:

- High Caliber Experience
- Expertise as Needed
- Affordable
- Flexible
- In-depth Familiarity of Client Needs

Attorney Plus Services:

Although our primary focus is providing traditional “legal services” to corporate clients, we also offer business-related services of the type customarily provided by in-house counsel in their management or executive roles. These *Attorney Plus* services offer clients the best of both worlds – sound business expertise coupled with the invaluable perspective of a lawyer.

Advantages:

- Strategic Planning
- Non-Profit Consulting
- Board Development and Governance
- Leadership Training
- Policy Strategies
- Message Development
- Communications Strategies
